ABOUT US

Pust Lighting is a factory which specializes in Multi-functional Track spots, established in 2010, located in shenzhen, China.

The factory is with 1500m² production area, 3 production line, more than 20 workers, exported hundreds of thousands track spots to worldwide every year.

The main market of our track spots is Europe and middle east. All of our products pass CE, CB,RoHS TUV certification,qualified and reliable.

Pust Lighting aims to help importers, wholesalers, distributors reduce inventory and shipping cost by making single lamps as multi-functional as possible, such as power switch, CCT switch, triac dim, zoom, all functions in one fixture.

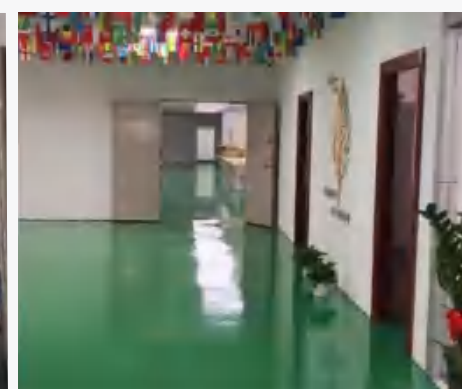

In 2025, our technical team developed 4CCT track spots instead of 3CCT which helps our customers reduce one more CCT stock.

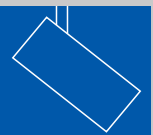

Pust Lighting always committed to seeking the most effective way to developing brilliant products, as well as deliver outstanding service to be the first and best choice for our customers.

What Pust Lighting Provide?

- 1.Track spots which solves your current problems
- 2.Most affordable Price
- 3.Broken rate 0.8% according to our customers' statistics
- 4.Reliable after sales service
- 5.Value-added service(Free sample/Free pallet/Free shipping within Guangdong province/Free container loading in our factory)

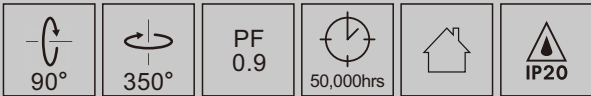

Welcome to talk with us now!

High Lighting Efficiency track light

PU-TL-P4-025

Benefits:

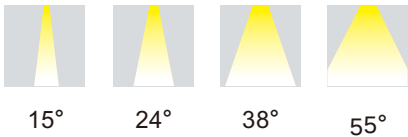

- Multi-functional-3CCT integrated into one fixture with high lighting efficiency
- Help importers, wholesalers, distributors reduce inventory&reduce shipping cost
- Help wholesaler enhance their brand
- Suitable for worldwide Input voltage
- Track adapter compatible with Eutrac, Global, Powergear,CNTRAC,etc main tracks

Voltage

AC220-240V

Features

High quality 3-circuit track system for the professional lighting market.
Suitable for track lights with 3-phase adapters of all major brands.
A comprehensive range of innovative accessories, like the twisted L and T connectors.

Maximum freedom to create the ultimate track plan.
Quick and easy to install.
No need to adjust the wires after cutting the track.
Available in white, Black and Grey
